

Tender opportunity

Rare Grade II* listed Allotments

10 Year Management and Maintenance Plan 2020 to 2030

23 September 2019 to 23 April 2020

Maximum Budget: £6,500 plus VAT - including all travel and expenses

This is an exciting opportunity for a management plan specialist to work with the site management team, to create a management and maintenance strategy to secure the future of the allotments and its heritage over the next ten years.

St Ann's Allotments is a Grade II* listed 75 acre site dating back to 1830's. It is a very special allotment site due to its heritage as well as being a valuable inner city green space for people and wildlife.

The site currently has 540 allotment tenants, a visitor centre, heritage display garden, areas dedicated to conservation and a diverse range of community groups.

Deadline for submissions: 5pm, Monday 2 September 2019

Interviews: September 2019

Contract start date: Monday 23 September 2019

Contract end date: Thursday 23 April 2020
